### AFFIRMATION

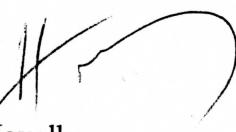

Dear Sirs,

The European Ramblers' Association (ERA) devised a system of the 11 European Long Distance Footpaths across the Europe, symbolised by E 1 - E 11. The marking and the maintenance of these E-paths is practised by the ERA member organisations.

The marking of the E-paths is one of the objects stipulated by the ERA Constitution (see § 2.1b, the copy enclosed to this affirmation letter).

I, as a President of the ERA, confirm, that the F.I.E. (Federazione Italiana Escursionismo) marked already several stages of the E-paths on the Italian territory. Therefore we consider as systems proper and in effect only possible to mark the missing stages of the E-paths by the F.I.E.

Yours sincerely,

Jan Havelka  
President of the ERA
